► CLASSIC SECURITY

We provide highly trained security personnel, including guards, supervisors, and gunmen, to safeguard factories, institutions, and businesses. Our team prevents losses due to burglary, fire, and accidents, ensuring a secure environment.

KEY SECURITY FEATURES:

- Regular Inspections & Surprise Checks – Conducted at irregular intervals to ensure alertness.
- 24/7 Supervision – Continuous monitoring to detect and prevent threats in real-time.

With Classic Facility Management, you get trusted, professional, and efficient security and hospitality services tailored to your needs.

► ACCESS CONTROL & RECEPTION MANAGEMENT

Classic Security ensures a smooth and secure flow of authorised visitors while intercepting unauthorised ones. Our trained guards monitor, record, and control activities at entry points, managing gate security and material movement efficiently.

► 24X7 CONTROL ROOM

To enhance security services, we operate a 24/7 centralised control room at our regional offices, acting as a command, communication, and response centre beyond regular office hours.

Security & Recruitment

At Classic Security, we believe that well-trained personnel are key to effective security solutions. Our recruitment and training programs focus on developing skilled, motivated, and disciplined security professionals.

► OUR RECRUITMENT STANDARDS :

• Personnel Background:

Primarily ex-servicemen, NCC-trained individuals, and verified civilians with aptitude & along with police verification.

• Education:

Minimum qualification of matriculation; specialised roles require additional skills.

• Physical Standards:

- General Category: Minimum height 5'7"
- Weight proportionates to height (BMI index)

• Age Criteria:

- General recruits: 20-50 years
- Ex-servicemen supervisors: Up to 60 years relaxation.

With rigorous training at Classic Academy, our security personnel are equipped to handle diverse challenges, ensuring top-tier protection for our clients.

► CLASSIC HOUSEKEEPING

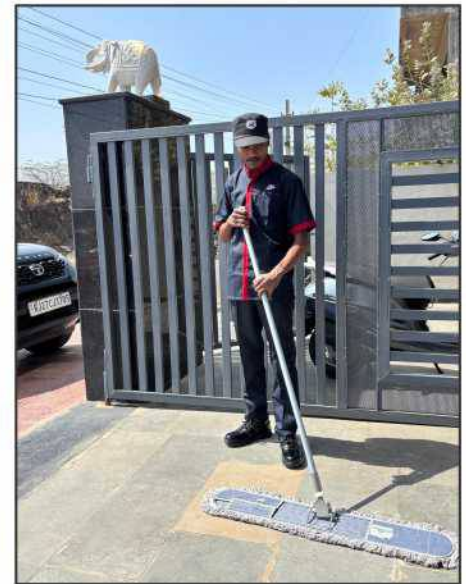

Modern housekeeping goes beyond cleanliness—it ensures a hygienic and healthy environment, directly impacting workplace productivity. Our trained staff understands hygiene essentials and uses world-class cleaning tools and products to maintain high standards.

► INNOVATIVE HOUSEKEEPING SOLUTIONS:

- Stocking adequate consumables and cleaning materials
- Using auto scrubber dryers and single-disc scrubbers for floor maintenance
- Deploying vacuum cleaners and carpet extraction cleaners for various surfaces
- Utilising premium cleaning agents for different floor types
- Branded pest control solutions for rodent and termite control
- Maintaining a daily housekeeping checklist
- Providing specialised staff training for efficiency

► WINDOWS & FACADE CLEANING

Buildings are constantly exposed to dust, pollution, and weather conditions. Our facade and window cleaning services help maintain a clean, professional exterior, extending the life of building materials and enhancing property value. With Classic Housekeeping, you get hygienic, efficient, and innovative cleaning solutions tailored to your needs.

► DEEP CLEANING

Post-construction or renovation, a thorough deep cleaning is essential before occupancy. Our post-construction cleaning service removes dust, debris, and stains while ensuring full sanitisation. Services include:

- Dust & debris removal
- Paint stain removal from windows, doors, and cabinets
- Kitchen & bathroom sanitisation
- Floor scrubbing & window cleaning
